## Secondary 2 Level Camp

Secondary 2 Adventure Camp is a 2 days and 1 night level camp held for all Secondary 2 students at Sarimbun Scout Camp. It gave us an opportunity to bond together as classes. There were a lot of ups and downs happening in my class during team-based activities like Outdoor Cooking and creating a performance for the whole level of Secondary 2 and teachers. However, we stood strong with obstacles pushing our way to victory and remained focused to our objectives. It was an amazing experience and it definitely boosted our team spirit! – Bernard, 205

## Total Defence Day

On 16<sup>th</sup> February 2016, Total Defence Day was commemorated in Deyi Secondary School. During the event, different uniformed groups came together to showcase each of their Extra Curricular Activities, with some members of the Singapore Armed Forces also involved. Before the event, I was really excited to learn more about Total Defence. During the event, my expectations were not let down as I was constantly awed by what I never knew previously. All in all, I got to learn more about Singapore's history, the five Pillars of Total Defence and managed to enjoy myself. – Louis, 205

## Secondary 2 Inter-Class

Before the games, although we were well prepared, I was nervous. During the play-offs, we were engrossed with the action, especially when it was one of our class's team turn to play. Although we didn't manage to grasp the championship, I have understood that in order to achieve success, we have to put our differences aside and work as one. – Randal, 205

## 2016 Track Meet

On the 11<sup>th</sup> of March 2016, our school had gathered at YCK stadium to participate in our school's annual track meet. Most of our classmates arrived in their class tee to show their support for their class. Our class then managed to come 2<sup>nd</sup> for both mass skipping and cheering. During the cheering component, our class was pretty enthusiastic and we also did face painting. I participated in the 4×200m and 10×80m events. Before the events, I was excited and determined to come back with 1<sup>st</sup> in the 10×80m event as our class was the champions last year. Sadly, that was not the case. During the 4×200m event, I had unfortunately sprained my ankle and dragged my team down. I was disappointed but my classmates remained supportive of me and brought my mood back up. Overall, I felt that our class had bonded and our teen spirit as a class also strengthened. – Charlotte, 205
