Streaming Process
Streaming depends on

- Number of places available in each subject combination
- Your options
- Specific additional criteria
Streaming is based on MERIT!
Your overall results matters!

Overall Mark = CA1 (20%) + SA1 (20%)
+ CA2 (20%) + SA2 (40%)
Streaming Exercise

• Actual Streaming Exercise will be conducted in after EOY Exams in Term 4. Again, an On-line will be used.
• Make use of all your options
• Results of Streaming will be released in early November (during school holidays)
Points to Note

• There is no best combination for all students.

• When choosing the options, do consider the following factors:
  - Career Aspirations
  - Interest
  - Aptitude
  - Ability

Entry Requirements

• Based on aggregate of best four GCE “N” subjects, including pre-requisite subjects and bonus points where applicable

• Subject to availability of vacancies
DEVELOP AND NURTURE YOUR EMPLOYEE

The scheme is a formal training arrangement where ITE matches your company’s profile to trainees’ interest.

Trainees are employed as full-time employee of the company and embark on a work and learn pathway, leading to ITE qualifications upon fulfilling the course requirements.

BENEFITS

* Continuous Stream of Skilled Manpower
* Channel to Recruit and Rejuvenate Workforce
* Staff Capability Development
* Government Funding
Traineeship Scheme

• Immediate entry into the career of your choice.
• Receive a monthly salary.
• Enjoy the same benefits as the other employees in the company.
• Receive a nationally recognised certificate at the end of training.
• Gain relevant work experience which would give you an edge in terms of job prospects.

FAQs

- If I am unsuccessful in first choice subject combination, how does it affect my chances of getting the second choice?

It does NOT affect your chances of getting into your second choice. Streaming is based on merit – the best students get streamed into their choice of subject combination first.
Does ITE have any cut-off points?

There are minimum criteria for entry into various courses in ITE. As number of places are limited, entry is subject to competition among applicants.
